F A Q

Q1: Could you suggest a design based on our requirements or samples?

Of course, we are professional. We can test samples free of charge according to your requirements.

Q2: Do you help with the operation of the product?

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

Q3: How do I process orders?

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

Q4: How soon can you deliver the equipment?

We will deliver your equipment within 3~5 days (there are a lot of stock), custom or mold processing needs to take 7~15 days.

Q5: About packaging and shipping

Provide strong plywood packing machine, safe and in line with international export standards.

Q6: How do you ensure we receive a good product?

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!
