## F A Q

**Q1: Could you suggest a design based on our requirements or samples?**

Of course, we are professional. We can test samples free of charge according to your requirements.

**Q2: Do you help with the operation of the product?**

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

**Q3: How do I process orders?**

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

**Q4: How soon can you deliver the equipment?**

We will deliver your equipment within 3-5 days (there are a lot of stock), custom or mold processing needs to take 7-15 days.

**Q5: About packaging and shipping**

Provide strong plywood packing machine, safe and in line with international export standards.

**Q6: How do you ensure we receive a good product?**

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!
