F A Q

Q1: Could you suggest a design based on our requirements or samples?

Of course, we are professional. We can test samples free of charge according to your requirements.

Q2: Do you help with the operation of the product?

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

Q3: How do I process orders?

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

Q4: How soon can you deliver the equipment?

We will deliver your equipment within 3~5 days (there are a lot of stock), custom or mold processing needs to take 7~15 days.

Q5: About packaging and shipping

Provide strong plywood packing machine, safe and in line with international export standards.

Q6: How do you ensure we receive a good product?

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!

Product Description:

This electric therapy massager is made of high-quality stainless steel, which ensures its durability and longevity. It's easy to clean and maintain, so you can enjoy using it for a long time.

The package contents of this product include one Head Massager Octopus Claw, which is easy to use. Simply place it on your head and move it in circular motions for a few minutes to experience the benefits of a head scalp massager.

One of the main benefits of using this product is relaxation. It helps to relieve tension and promote a feeling of calmness and serenity.

This is especially beneficial if you suffer from headaches or migraines, as it can help to alleviate the symptoms.

The Head Massager Octopus Claw is also great for stress relief. It helps to reduce stress levels by promoting relaxation and improving circulation. This, in turn, can help to reduce anxiety and improve mood.

Improved circulation is another benefit of using this product. By stimulating the scalp, it helps to increase blood flow to the area. This can help to promote healthy hair growth and improve overall scalp health.

The durability of this product is high, thanks to its stainless steel construction. You can use it regularly without worrying about it breaking or wearing out. It's also easy to store, as it's small and compact.

In summary, if you're looking for a relaxing and effective way to relieve stress and improve circulation, the Head Massager Octopus Claw is an excellent choice. Its unique design, high-quality material, and easy-to-use package contents make it a great investment for anyone looking for an electric therapy massager or head scalp massager.
