F A Q

Q1: Could you suggest a design based on our requirements or samples?

Of course, we are professional. We can test samples free of charge according to your requirements.

Q2: Do you help with the operation of the product?

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

Q3: How do I process orders?

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

Q4: How soon can you deliver the equipment?

We will deliver your equipment within 3~5 days (there are a lot of stock), custom or mold processing needs to take 7~15 days.

Q5: About packaging and shipping

Provide strong plywood packing machine, safe and in line with international export standards.

Q6: How do you ensure we receive a good product?

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!

Product Description:

The Carbon Fiber Massager Gun is a handheld device that provides deep tissue massage to help improve circulation, reduce muscle soreness, and increase range of motion. Its adjustable arm allows you to target specific muscle groups with ease, while the LCD touch screen lets you control the intensity and speed of the massage.

This muscle massage gun comes with a 1-year warranty, which gives you peace of mind in case of any defects or issues. With its carbon fiber construction, it is built to last and withstand frequent use.

One of the special features of the Carbon Fiber Massager Gun is its adjustable arm. This feature allows you to position the massage head at different angles, making it easier to reach hard-to-reach areas like your back or shoulders. The LCD touch screen is another special feature that makes it easy to control the intensity and speed of the massage.

The Carbon Fiber Massager Gun is a must-have for anyone who wants to improve their muscle health and recovery time. Whether you are an athlete, a fitness enthusiast, or just someone who wants to relieve muscle tension and soreness, this muscle massage gun is an excellent investment. Its premium construction, adjustable arm, and LCD touch screen make it a top-of-the-line product that is sure to exceed your expectations.

Applications:

Whether you're an athlete, fitness enthusiast, or someone who experiences muscle tension and soreness, the GT-8070 Carbon Fiber Massager Gun is perfect for you. With its 4 massage heads, you can target different areas of your body and experience the benefits of a deep tissue massage.

This product is also a great tool for those who have a sedentary lifestyle and are prone to muscle stiffness and pain. It's lightweight at only 2.2 lbs, making it easy to carry around and use whenever and wherever you need it. Plus, it only takes 2 hours to charge, so you can have it ready for your next massage session in no time.

Here are some occasions and scenarios where you can use the GT-8070 Carbon Fiber Massager Gun:

Before and after a workout - this product can help warm up your muscles before a workout and aid in recovery after a workout.

At home - you can use this product to relieve muscle tension and soreness after a long day at work or while watching TV.

At the office - if you have a sedentary job, you can use this product to alleviate muscle stiffness and pain caused by sitting for long periods.

During travel - the GT-8070 Carbon Fiber Massager Gun is portable, making it easy to bring with you on trips and use during long flights or road trips.

For athletes - this product can help improve athletic performance by increasing blood flow and reducing muscle soreness.

Experience the benefits of a high-frequency massager with the GT-8070 Carbon Fiber Massager Gun. Its sleek black color and carbon fiber design make it a stylish and functional addition to your wellness routine.

Customization:
