F A Q

Q1: Could you suggest a design based on our requirements or samples?

Of course, we are professional. We can test samples free of charge according to your requirements.

Q2: Do you help with the operation of the product?

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

Q3: How do I process orders?

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

Q4: How soon can you deliver the equipment?

We will deliver your equipment within 3~5 days (there are a lot of stock), custom or mold processing needs to take 7~15 days.

Q5: About packaging and shipping

Provide strong plywood packing machine, safe and in line with international export standards.

Q6: How do you ensure we receive a good product?

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!

Product Description:

This Neck and Shoulder Massage Shawl is powered by an AC adapter, which makes it convenient to use at home or in the office. The adapter ensures that the product provides consistent power, enabling you to enjoy a relaxing massage without any interruptions. The Neck and Shoulder Massage Shawl is a great investment for anyone who wants to experience a deep massage that targets specific areas of the body.

The Neck and Shoulder Massage Shawl has eight massage nodes that work together to provide a deep tissue massage that targets the neck and shoulder area. The nodes are designed to rotate in different directions, ensuring that every part of your neck and shoulder area is covered. This helps to relieve tension and soreness in the muscles, making it the perfect product for people who suffer from neck and shoulder pain.

The Neck and Shoulder Massage Shawl is easy to use and can be operated using a simple control panel that is located on the side of the product. The control panel allows you to adjust the intensity of the massage, as well as the heat settings. The heat function is particularly useful in helping to soothe sore muscles and provides additional comfort during the massage.

The Neck and Shoulder Massage Shawl is a one-size-fits-all product that can be adjusted to fit any body type. The adjustable design ensures that the product provides a customized fit, which is essential in ensuring that you get the most out of your massage. The soft fabric used to make the product is gentle on the skin, making it suitable for people with sensitive skin.

In conclusion, the Neck and Shoulder Massage Shawl is an excellent product that provides users with a relaxing and therapeutic massage experience. The product is made of soft fabric that is gentle on the skin and is powered by an AC adapter, making it convenient to use at home or in the office. The eight massage nodes work together to provide a deep tissue massage that targets the neck and shoulder area, while the adjustable design ensures that the product provides a customized fit for all body types. The control panel allows you to adjust the intensity of the massage and heat settings, making it the perfect product for people who suffer from neck and shoulder pain.
