Our Product Introduction

### Product Description

#### 24W Heat Function Electric Massage Pillow with Automatic Shut Off

#### Product Description:

The Heat Function of this Electric Heating Pillow is a game-changer. It can help soothe sore muscles and provide a deeper massage experience. The heat can be turned on and off according to your preferences. With this feature, you can enjoy a warm and relaxing massage that will make you feel like you're in a spa without leaving your home.

This Beauty Massager Machine is easy to use and operate. It comes with an AC Adapter that can provide a steady and reliable power supply. The Power Consumption of this product is 24W, making it energy-efficient and cost-effective. You don't have to worry about high electricity bills because this product is designed to be budget-friendly.

There are 3 Massage Modes that you can choose from. You can customize your massage experience according to your needs and preferences. Whether you want a gentle massage or a deep tissue massage, this product can provide it for you. You can also adjust the intensity of the massage by controlling the speed of the massage nodes.

The Electric Heating Pillow is not just a regular pillow. It is a Beauty Massager Machine that can provide multiple health benefits. It can improve blood circulation, reduce stress and anxiety, relieve muscle pain, and promote better sleep. You can use it while watching TV, reading a book, or even while working. It is portable and lightweight, making it easy to carry around.

In conclusion, the Electric Heating Pillow is a must-have product for anyone who wants to experience a relaxing and soothing massage at the comfort of their own home. It has 4 Massage Nodes, Heat Function, AC Adapter, 24W Power Consumption, and 3 Massage Modes. It is the perfect Cushion and Pillow product that you can use anytime, anywhere. Invest in your health and well-being by getting this

amazing product today!

### Applications:

The GT-1606 Massager Pillow is a must-have for anyone looking for a comfortable and relaxing massage experience. This product is made in China, and comes with CE, FCC, and ROHS certifications, ensuring that it meets the highest standards of quality. The minimum order quantity for this product is 1000, and it is available at a price range of \$28.9-\$26.9.

The GT-1606 Massager Pillow is versatile and can be used in a variety of settings. It is perfect for individuals who spend long hours working at a desk, or those who suffer from neck and shoulder pain. It can be used as a Head Scalp Massager, helping to relieve tension and promote relaxation.

The cushion and pillow design of this product makes it ideal for use at home or in the office. It is easy to use, and can be placed on any chair or sofa for an instant massage experience. The electric massage pillow is designed to target specific areas of the body, such as the neck, shoulders, back, and legs.

The GT-1606 Massager Pillow is equipped with four massage nodes that rotate in a circular motion, providing a deep tissue massage that helps to relieve muscle tension and soreness. The auto shut-off feature ensures that the product turns off after 15 minutes, preventing any overheating or damage.

The GT-1606 Massager Pillow is made from high-quality PU leather, which is durable and easy to clean. It comes with a 1-year warranty, ensuring that customers are satisfied with their purchase. The dimensions of the product are 13 X 9 X 3.5 inches, making it compact and easy to store.

This product is available with customized packaging, and delivery time ranges from 5-25 work days. Payment terms include T/T, Western Union, and Money Gram. The GT-1606 Massager Pillow has a supply ability of 10000/month, making it a popular choice for individuals and businesses alike.

### Customization:

### Support and Services:

The Massager Pillow is designed to provide a relaxing and therapeutic massage experience for individuals who suffer from tension and stress. The product features various massage modes, intensity levels, and heat settings to customize and personalize the massage experience.

Our technical support team is available to assist with any product-related inquiries or issues. We offer product manuals and instructional videos to help users understand how to operate the Massager Pillow.

In addition to technical support, we offer repair and maintenance services to ensure that the product remains in optimal condition. Our team of professionals can diagnose and fix any issues with the product to ensure it continues to provide a relaxing massage experience for years to come.
