Product Description

USB Powered Abdominal Massage Belt Postpartum Recovery 3 Massage Modes 3 Intensity Levels BM-01

Product Description:

Our Back Massager Pad is made from high-quality materials, making it durable and easy to use. With a weight of only 0.5 Kg, it is lightweight and easy to carry around, making it perfect for use at home or on the go. The belt has a frequency of 50-60Hz, ensuring that you get the best possible results from your massage session.

The BM-01 model Belly Massage Belt comes in a sleek black color that is sure to complement any outfit. It is easy to wear and adjust, making it a great option for anyone looking for a hassle-free way to improve their health and wellbeing. The belt is also designed to provide maximum comfort, so you can wear it for extended periods without feeling uncomfortable.

Our Heating Waist Belt comes with three temperature levels, allowing you to customize your massage experience to suit your needs. Whether you are looking for a gentle massage or a more intense one, our Belly Massage Belt has you covered. With its advanced heating technology, it helps to improve blood circulation, reduce muscle tension, and provide relief from pain and discomfort.

So, if you are looking for a simple and effective way to improve your overall health and wellbeing, look no further than our Belly Massage Belt. Whether you are looking to relieve back pain, improve digestion, or simply want to relax after a long day at work, our back massager pad is the perfect solution for you.

Applications:

The GT-1606 Abdominal Massage Belt is perfect for various occasions and scenarios. For those who spend long hours sitting in front of a computer, the belt can provide a relaxing massage while working, helping to reduce the stress and tension in your abdominal muscles. It is also great for those who experience menstrual cramps, as the abdominal massage can help to relieve the pain and discomfort.

For athletes and fitness enthusiasts, the GT-1606 Abdominal Massage Belt is perfect for post-workout recovery. The massage can help to reduce muscle soreness and improve blood circulation, which can aid in the recovery process. Additionally, the belt's heating function can help to warm up the abdominal muscles before a workout, reducing the risk of injury.

The GT-1606 Abdominal Massage Belt has 3 massage intensity levels and 3 massage modes, allowing users to customize their massage experience according to their preferences. The belt comes with a USB cable, making it easy to charge, and a user manual to guide you through the process.

The product has a minimum order quantity of 1000 units, with a price range of \$17.8-\$18.8 per unit, making it an affordable option for individuals and businesses alike. The product is packaged in a carton, with customized packaging available upon request. Delivery time ranges from 5-25 work days, depending on location, and payment terms include T/T, Western Union, and Money Gram.

The GT-1606 Abdominal Massage Belt is in high demand, with a supply ability of 10,000 units per month. Each package contains 1 X Belly Massage Belt, 1 X USB Cable, and 1 X User Manual. The product model is BM-01, and it comes in the color black. Invest in the GT-1606 Abdominal Massage Belt today and experience the benefits of a relaxing massage that can be used in various occasions and scenarios.
