### Product Description

Black PU Leather Electric Head Massager / Cushion And Pillow with 24W AC Adapter

#### Product Description:

One of the standout features of this massager pillow is its AC adapter power supply. This means that you can use it anywhere in your home without having to worry about running out of batteries. The power consumption is 24W, which ensures a powerful massage experience without draining your electricity bill.

Another great feature of the Massager Pillow is its auto shut-off function. This ensures that you can relax and enjoy your massage without having to worry about turning off the device when you're done. The heat function is also a game-changer, providing added comfort and relaxation to your massage experience.

Whether you're looking for a head scalp massager or a full-body massage, the Massager Pillow has you covered. Its unique design allows you to target specific areas of your body with ease, providing relief to your sore muscles and helping you unwind after a long day.

#### Features:

Product Name: Massager Pillow

### Applications:

The GT-1606 is a versatile product that can be used in many different scenarios. It can be used as an Electric Head Massager, providing soothing vibrations to help relieve headaches, migraines, and tension in the scalp. The three massage modes can be easily adjusted to provide a personalized massage experience. The Electric Therapy Massager feature helps to relax sore and tight muscles in the neck, shoulders, and back. The heat function helps to increase blood flow and decrease pain, making it the perfect solution for those who suffer from chronic pain or muscle strains.

The GT-1606 is compact and portable, with dimensions of 13 X 9 X 3.5 Inches. This makes it easy to take with you wherever you go, whether you're at home, at work, or on the go. The product comes with a 1-year warranty, ensuring that you are getting a quality product that will last.

The GT-1606 is a popular product and has a supply ability of 10000/month. It can be purchased using T/T, Western Union, or Money Gram. The packaging details can be customized to meet your needs, whether you prefer carton packaging or something more unique. The delivery time ranges from 5-25 work days, depending on your location and shipping preferences.

In summary, the GT-1606 Electric Heating Pillow is a must-have for anyone looking to relieve muscle soreness, tension, and pain. With its versatile massage modes, heat function, and compact design, it can be used in many different scenarios. Order now to experience the benefits of this Electric Head Massager and Electric Therapy Massager.

### Customization:

### Support and Services:

The Massager Pillow comes with a one-year warranty from the date of purchase. Our technical support team is available to assist you with any technical issues or questions you may have about the product.

We also offer repair services for any damages that may occur outside of the warranty period. Please contact our customer service team for more information.

Additionally, we provide online resources such as user manuals and instructional videos to help you get the most out of your Massager Pillow.

### Packing and Shipping:

Product Packaging:

The Massager Pillow comes in a sturdy cardboard box that is designed to protect the product during shipping. The box includes the massager pillow, a user manual, and a power adapter.

Shipping:

Once your order has been placed, we will process and ship it within 1-2 business days. The Massager Pillow is shipped using standard shipping, which typically takes 5-7 business days to arrive.
