Product Description

Product Description:

The Eye Massage Tool is equipped with a powerful 1200mAh battery, which can be fully charged in just 2 hours. This means you can enjoy up to 2 hours of continuous use on a single charge, making it a great choice for busy individuals who are always on the go. The Eye Massage Tool is also designed with portability in mind. Its compact and lightweight design makes it easy to carry with you wherever you go, so you can enjoy a relaxing eye massage anytime, anywhere. Whether you're at home, in the office, or on the go, the Eye Massage Tool is the perfect way to relieve eye strain and improve your eye health.

The Eye Massage Tool offers 3 different massage modes to choose from, so you can customize your massage experience to suit your needs. Whether you prefer a gentle massage or a more intense one, the Eye Massage Tool has you covered.

In terms of power, the Eye Massage Tool is powered by a 5V/3.4W motor, which provides ample power to deliver a deep and effective massage to your eyes. This motor is also designed to be energy-efficient, so you can enjoy longer battery life and more massage time on a single charge.

In conclusion, the Eye Massage Tool is an excellent choice for anyone looking for a convenient and effective way to relieve eye strain and improve their eye health. With its powerful battery, portable design, and customizable massage modes, this Electric Eye Massager is sure to become your go-to tool for soothing and relaxing eye massages.

Applications:

The GT Eye Massager (Model Number: GT-HY02) is the perfect Eye Massage Tool for anyone who needs relief from eye strain and fatigue. This Eye Massage Machine is designed to help soothe tired eyes, reduce puffiness, and improve blood circulation around the eyes. It is made in China and has CE, FCC, and ROHS certifications.

The GT Eye Massager is ideal for use in a variety of scenarios, such as at home, in the office, or while traveling. The Eye Massager is perfect for people who spend long hours in front of a computer or other digital devices. It is also great for people who suffer from insomnia or have trouble sleeping due to eye strain. With its adjustable strap, the Eye Massager can be worn comfortably by anyone.

The Eye Massager has three massage intensity levels and three massage modes, allowing users to customize their massage experience. It is made of high-quality ABS material and has a rechargeable battery as its power source. The Eye Massager can be charged using a USB cable and has a battery life of up to three hours.

The GT Eye Massager is available for purchase at a price range of \$20.9-\$23.9, with a minimum order quantity of 1000. The packaging details can be customized as per the buyer's requirements. The product delivery time is between 5-25 work days, and payment can be

made via T/T, Western Union, or Money Gram. The Eye Massager has a supply ability of 10000 pieces per month. In conclusion, the GT Eye Massager is a must-have Home Body Massager for anyone who wants to relieve their eye strain, reduce puffiness, and improve blood circulation around the eyes. With its adjustable strap, rechargeable battery, and customizable massage modes, this Eye Massage Tool is perfect for use at home, in the office, or while traveling.

Customization:

Made in China with top-quality materials, our GT Eye Massager (Model Number GT-HY02) is the perfect solution for anyone looking to relieve eye strain, headaches, and other common eye-related issues. With adjustable straps and a rechargeable battery, it's easy to use and fits comfortably on any head size.
