Product Description

Product Description:

The Eye Massage Machine is designed for ease of use and portability. Its lightweight and compact design make it easy to take with you wherever you go, whether you're traveling, commuting, or simply relaxing at home. The adjustable strap ensures a comfortable fit for all head sizes, so you can enjoy a customized massage experience that meets your unique needs.

The Eye Massage Machine is made from high-quality ABS material, which is known for its durability and resistance to wear and tear. This ensures that your eye massager will last for years to come, providing you with a reliable and effective way to relieve eye strain and improve your overall eye health.

Features:

Three massage modes
Air pressure function
Portable design
Adjustable strap for a comfortable fit
Made from durable ABS material

Modes:

The Eye Massage Machine has three massage modes to choose from, each with its unique benefits. The first mode is a gentle vibration massage that helps to relax the eye muscles and improve blood circulation. The second mode is a warm compress massage that can help to reduce puffiness and dark circles around the eyes. The third mode is a combination of both vibration and warm compress massage, providing you with a deeply relaxing and rejuvenating massage experience.

Air Pressure Function:

The air pressure function of the Eye Massage Machine helps to improve blood circulation and reduce eye fatigue by gently massaging the eye area with air pressure. This function is especially useful for those who spend a lot of time in front of a computer screen or reading, as it can help to relieve eye strain and prevent eye fatigue.

Portable Design:

The Eye Massage Machine is designed to be portable, so you can take it with you wherever you go. Its compact size and lightweight design make it easy to store in your bag or suitcase, so you can use it when you need it most. Whether you're traveling, commuting, or simply relaxing at home, the Eye Massage Machine is a great way to relieve eye fatigue and improve your eye health.

Adjustable Strap:

The Eye Massage Machine comes with an adjustable strap that fits all head sizes. This ensures a comfortable fit for everyone, so you can enjoy a customized massage experience that meets your unique needs. The adjustable strap also makes it easy to use the eye massager while lying down or sitting up, so you can relax in the position that's most comfortable for you.

Material:

The Eye Massage Machine is made from high-quality ABS material, which is known for its durability and resistance to wear and tear. This ensures that your eye massager will last for years to come, providing you with a reliable and effective way to relieve eye strain and improve your overall eye health.

Applications:

The GT Eye Massager (Model Number: GT-HY02) is a high-quality eye care supplement that is perfect for anyone looking for an eye beauty device or eye massage tool. Made in China, this eye massager comes with CE, FCC, and ROHS certifications, ensuring that it meets the highest standards of quality and safety.

The GT Eye Massager is suitable for a wide range of occasions and scenarios. It is perfect for people who spend a lot of time in front of the computer, reading, or doing other activities that strain the eyes. It can also be used by individuals who suffer from eye fatigue, dry eyes, or other eye-related issues. The eye massager can help improve blood circulation around the eyes, reduce puffiness, and relieve eye strain.

The GT Eye Massager is easy to use and comes with three massage modes. The adjustable strap ensures a comfortable fit for any head size, and the eye massager can be used for up to 2 hours on a single charge. The battery capacity is 1200mAh, and it takes 5-25 workdays for delivery, depending on your location. The minimum order quantity is 1000, and the price ranges from \$20.9-\$23.9.

The GT Eye Massager comes in a stylish white color and is packaged in a carton. Customized packaging is also available upon request. Payment can be made via T/T, Western Union, or Money Gram. The eye massager has a supply ability of 10000/month, making it a reliable and convenient eye care supplement for personal or business use.
