## Product Description

### Product Description:

The Eye And Face Massager comes with a powerful 1200mAh battery, providing hours of use on a single charge. This means you can take it with you wherever you go, whether you're travelling for work or pleasure, and enjoy the benefits of a relaxing massage on the go. The adjustable strap ensures a comfortable fit for all head sizes, so you can personalize the experience to suit your needs. The strap is also designed to keep the massager securely in place while you use it, so you can relax and enjoy the massage without worrying about it slipping or falling off.

One of the standout features of the Eye And Face Massager is its Bluetooth function. This allows you to connect the massager to your smartphone or tablet, so you can control the massage settings and enjoy your favorite music or audio books while you relax. This makes it the perfect companion for long journeys or when you just need to unwind after a busy day.

The Eye And Face Massager is available in a stylish white color, making it a great addition to any beauty routine. Whether you're looking for a way to reduce puffiness, improve blood circulation, or simply enjoy a relaxing massage, our Eye And Face Massager is the perfect choice.

This Eye Massager is a perfect Eye Care Supplement and Eye Beauty Device. With its Portable Design, it can be easily carried anywhere you go. The device also functions with Bluetooth and Vibration to provide the most comfortable and relaxing massage experience. It is a Handheld Body Massager that can be used for 2 hours thanks to its rechargeable battery with a charging time of 2 hours. Made of ABS material, it has a heating function and three massage intensity levels.

### Applications:

Our GT Eye Massager is an ideal product that can be used in a variety of situations. Whether you are a busy professional who spends long hours in front of a computer, a college student who needs to study for hours on end, or someone who suffers from eye fatigue due to lack of sleep, our eye massager can provide relief to your eyes.

Our GT Eye Massager can be used in different occasions such as when you are traveling, at work, or even at home. It is a portable design that can easily fit into your purse or backpack, allowing you to take it with you wherever you go. Its adjustable strap ensures that it fits comfortably and securely on your head, so you can use it while doing other activities like reading, watching TV, or listening to music.

The GT Eye Massager is also perfect for those who suffer from eye wrinkles. Our electric eye massager uses advanced technology to stimulate the muscles around your eyes, which helps to improve blood circulation, reduce puffiness, and eliminate wrinkles. Its gentle massaging motion also helps to relax your eye muscles, which can reduce the appearance of fine lines and wrinkles around the eyes.

The GT Eye Massager is made in China and is certified by CE, FCC, and ROHS, ensuring that our product meets the highest quality standards. Our minimum order quantity is 1000 units, and our price ranges from \$20.9 to \$23.9. Our packaging details are customizable, and we offer fast delivery times of between 5-25 work days. Our payment terms are flexible, and we accept T/T, Western Union, and Money Gram. Our supply ability is 10000 units per month.

Get your GT Eye Massager today and enjoy the benefits of this amazing electric massager. Say goodbye to eye fatigue, dark circles, and wrinkles and hello to brighter, healthier-looking eyes!

## Customization:
