Product Description

White Eye Massager with 3 Massage Intensity Levels and Vibration Function

Product Description:

Our Eye Massager comes equipped with a powerful rechargeable battery with a capacity of 1200mAh. This means that you can use it for extended periods without worrying about battery life. The device is powered by 5V/3.4W, ensuring that it delivers a powerful and effective massage every time.

With a charging time of just 2 hours, this Eye Massage Machine is ideal for anyone who is always on the go. Simply plug it in and let it charge while you attend to other tasks. Once fully charged, you can enjoy up to several hours of uninterrupted eye massage, wherever you are.

The Eye Massager features 3 massage modes that can be adjusted to suit your needs. Whether you prefer a gentle massage or a more vigorous one, this device has got you covered. You can also choose the intensity of the massage, making it suitable for people with different levels of sensitivity.

Our Eye Massager is powered by a rechargeable battery, which means you don't need to worry about replacing batteries. Simply plug it in when it needs charging, and you're good to go. The device is also portable, making it easy to carry around wherever you go. Whether you're at home, in the office, or on the move, you can enjoy a relaxing eye massage whenever you need it.

Overall, our Eye Massager is an essential tool for anyone looking to improve their eye health and appearance. With its powerful battery, adjustable massage modes, and portable design, it's the perfect solution for anyone who wants to say goodbye to eye wrinkles and hello to a more refreshed and revitalized look. Get yours today and experience the benefits of this amazing device!

Applications:

The GT Eye Massager GT-HY02 is a high-quality, handheld home body massager made from durable ABS material. It is designed to provide a relaxing and rejuvenating massage experience for your eyes, helping to relieve stress and tension in the surrounding muscles. The GT Eye Massager features air pressure function which stimulates the acupuncture points around the eyes and helps to improve blood circulation, reducing the appearance of dark circles and puffiness. It also has Bluetooth function that allows you to play your favorite music while using the eye massager, providing a more enjoyable and personalized experience.

The GT Eye Massager has 3 massage intensity levels and 3 massage modes, allowing you to customize the massage to suit your preferences. The compact and lightweight design of the GT Eye Massager makes it easy to use at home, in the office, or while traveling.

The GT Eye Massager is certified by CE, FCC, and ROHS, ensuring that it meets international quality and safety standards. The minimum order quantity for the GT Eye Massager is 1000 units, with a price range of \$20.9-\$23.9 per unit. The packaging details can be customized according to your needs.

The GT Eye Massager is a great product for people who spend long hours in front of the computer or mobile screen, as well as those who suffer from eye fatigue, dry eyes, or insomnia. It is also a perfect gift for your family, friends, and colleagues.

With a delivery time of 5-25 work days and payment terms of T/T, Western Union, and Money Gram, the GT Eye Massager is available for purchase now. With a supply ability of 10000/month, you can be sure that your order will be fulfilled quickly and efficiently.
