Product Description

5-Speed Dual Heads Carbon Fiber Massage Gun with 2000mAh Battery

Product Description:

The Two Head Fascia Gun is designed to deliver a powerful and effective massage, thanks to its Hot Air Heat Gun technology. The device comes with two massage heads, each with its own unique function. The Air Compressor Head is perfect for deep tissue massage, while the Hot Air Heat Gun Head is ideal for sore muscles and joints.

One of the most impressive features of the Two Head Fascia Gun is its low noise level. At less than 60dB, this massage gun operates quietly, making it ideal for use at home or in a professional setting. You can enjoy a relaxing massage session without worrying about disturbing anyone around you.

The Two Head Fascia Gun is modelled as GT-1405. This model is designed to be easy to use and comes with a user-friendly interface. It is also built with durability in mind and is made from high-quality materials that are designed to last.

If you're looking for a powerful and effective Electric Massage Gun, the Two Head Fascia Gun is an excellent choice. With its Hot Air Heat Gun technology, Air Compressor Head, and low noise level, it provides a comfortable and relaxing massage experience that is sure to leave you feeling refreshed and rejuvenated.
