### Product Description

GT-1405 Fascia Gun Rechargeable Battery 3 Massage Modes 2000mAh

**Product Description:**

Our Product

The Two Head Fascia Gun is a powerful tool that can be used to relax muscles, improve circulation, and reduce muscle fatigue. It is perfect for athletes, fitness enthusiasts, and anyone who wants to improve their overall health and well-being. With its compact size and lightweight design, you can take it with you wherever you go.

The Fascia Massage Gun is easy to use and comes with five different speed levels. You can choose the level that works best for you and adjust it as needed. The two massage heads can be interchanged quickly and easily, allowing you to target different muscle groups with precision. Whether you are dealing with sore muscles or chronic pain, the Two Head Fascia Gun can help you find relief.

The GT-1405 model of the Two Head Fascia Gun comes in a sleek black color that looks great in any setting. Its ergonomic design makes it comfortable to hold and easy to use, even for extended periods of time. Whether you are using it at home or in the gym, the Fascia Massage Gun is sure to become a valuable tool in your wellness routine.

## Applications:

The GT-1405 is made in China and is certified by CE, FCC, and ROHS, ensuring top-quality performance and safety. The minimum order quantity for this product is 1000 units, with a price range of USD\$41-\$45 per unit. Packaging details are customizable, and delivery time ranges from 5-25 work days, depending on your location. Payment terms accepted are T/T, Western Union, and Money Gram, with a supply ability of 10,000 units per month.

The GT-1405 has a powerful rechargeable battery with a capacity of 2000mAh, providing long-lasting use. It also features three massage modes and five speed levels, allowing you to customize your massage experience to your liking. The black color gives it a sleek and modern look, perfect for any setting.

Here are some product application occasions and scenarios where the GT-1405 can be used:

**Pre-workout warm-up:** The GT-1405 is perfect for getting your muscles ready for a workout. Use the air compressor head to provide deep tissue massage to your legs, arms, and back.

**Post-workout recovery:** After a tough workout, use the dual heads massage hammer to soothe sore muscles and speed up recovery time. The GT-1405 can help reduce muscle stiffness and improve flexibility.

**Office or home use:** If you spend long hours sitting at a desk or standing, the GT-1405 can provide relief to your neck, shoulders, and back. Use the dual heads massage hammer to target specific areas and reduce tension.

**Travel companion:** The GT-1405 is compact and easy to carry, making it a great travel companion. Use it on long flights or road trips to prevent muscle stiffness and discomfort.

Overall, the GT-1405 is a versatile and effective handheld massager gun that can provide relief to your muscles in a variety of situations. Its powerful battery, customizable massage modes, and sleek design make it a great addition to any fitness or wellness routine.
