## Product Description

### 3-Mode 2-Head Carbon Fiber Fascia Gun Ergonomic Black 1.2kg Percussion Massager for Muscle Relief

#### Product Description:

The GT-1405 comes with two interchangeable heads, the Air Compressor Head and the Electric Flame Gun, which provide a variety of massage techniques. The Air Compressor Head is perfect for large muscle groups and deep tissue massage. It delivers a strong percussive force that reaches deep into the muscle tissue, providing relief from tightness and soreness. The Electric Flame Gun head provides a gentle massage that is perfect for those who prefer a lighter touch. It is ideal for sensitive areas such as the neck, feet, and hands.

The GT-1405 is easy to use and comes with a one-year warranty. It is lightweight and portable, making it perfect for use at home or on the go. The fascia massage gun is also equipped with an LED display that shows the battery life and the speed setting. It has five speed settings that you can adjust according to your preference.

The GT-1405 is a versatile and effective tool for anyone looking to improve their muscle health and overall well-being. It is perfect for athletes, fitness enthusiasts, and anyone who suffers from muscle tension or soreness. It is also a great gift for anyone who wants to take their self-care routine to the next level.

#### Applications:

The GT-1405 is a massage gun that can be used for various occasions and scenarios. It is perfect for athletes, fitness enthusiasts, and people with muscle pain and stiffness. It can be used to relax muscles, relieve fatigue, and reduce soreness. The three massage modes and five speed levels make it easy to customize the massage experience according to the user's needs.

The GT-1405 is made of carbon fiber, which is a lightweight and durable material. It weighs 1.2kg, which makes it easy to hold and use for extended periods. The battery capacity is 2000mAh, which allows for up to 4 hours of continuous use on a single charge.

In addition to its massage functions, the GT-1405 also has an infrared temperature gun function that can measure body temperature. This makes it a versatile tool that can be used in a variety of settings such as gyms, sports events, and hospitals. The GT-1405 is an electric massage gun that can be used at home, in the office, or while traveling. It is easy to use and comes with a user manual that provides instructions on how to use it safely and effectively. The GT-1405 is a great investment for anyone who wants to improve their physical health and well-being.
