#### Applications:

The GT-1202 Electric Waist Massager has a voltage range of 110V-240V, making it suitable for use in different countries. Its color is black, and it comes with a remote control that makes it easy to operate. The power of this product is 24W, which is strong enough to provide a deep massage for your back and waist muscles. The timer can be set to 1-2 hours, which is enough time to relax your body and relieve tension from your muscles.

The Electric Waist Massager is perfect for people who spend long hours sitting at a desk or driving. It can help to relieve lower back pain

and improve posture. It is also ideal for athletes who want to relieve muscle soreness after a workout. The Electric Waist Massager is easy to use and can be adjusted to fit different body types. It is an excellent addition to your home body massager collection. The Electric Waist Massager is suitable for use in different scenarios. You can use it at home after a long day at work to relax your muscles and relieve stress. It is also perfect for use in spas, gyms, and massage centers. The remote control makes it easy for the therapist to adjust the settings and provide a customized massage experience for their clients. Overall, the GT-1202 Electric Waist Massager is an excellent product for anyone who wants to improve their well-being and relieve stress. Its safety certifications, customizable packaging, and reliable performance make it a top choice for anyone in need of an electric back massager.
