#### Applications:

GT-HT05 is a perfect solution for people who are experiencing head tension. It is an Electric Brain Soother that uses advanced technology to massage the head and promote relaxation. It is also a Brainwave Soothing Headband that uses vibrations to soothe the brainwaves, reducing stress and anxiety.

GT-HT05 is suitable for a wide range of applications. You can use it at home, in the office, or while traveling. It is a great product for people who spend a lot of time sitting in front of a computer or driving for long hours. It is also ideal for people who suffer from migraines, headaches, or other head-related ailments.

The GT-HT05 Electric Head Massager is lightweight and easy to use. It weighs about 300 grams and comes with a charging time of 2 hours. It can be used for up to 90 minutes per charge, making it perfect for long-term use.

The GT-HT05 Electric Head Massager is also very affordable. The minimum order quantity is 1000 units, and the price ranges from USD\$47.4-\$37.1 per unit. The product is packaged in a carton, and the packaging can be customized to meet your needs. The delivery time is 5-25 workdays, and payment terms include T/T, Western Union, and Money Gram. The supply ability is 10000/month.

Overall, the GT-HT05 Electric Head Massager is an effective product that can provide relief from head tension and promote relaxation. It is suitable for a wide range of applications and can be used at home, in the office, or while traveling. If you are looking for a Head Tension Reliever, the GT-HT05 Electric Head Massager is the perfect product for you.
