Product Description

Carbon Fiber Handheld Percussion Massage Gun Up To 6 Hours Battery Life

Product Description:

With dimensions of 9.8 X 7.9 X 2.4 Inches, this Percussion Muscle Gun is compact and easy to use, making it perfect for use at home, at the gym, or on the go. The rechargeable battery provides long-lasting power, so you can use it for extended periods without needing to recharge.

One of the best things about the Carbon Fiber Percussion Muscle Gun is its low noise level. At less than 60 DB, it won't disturb others around you, making it a great tool to use in public places like the gym or office.

The black color of this Muscle Massage Gun is sleek and stylish, making it a great addition to your workout gear or home gym. It also comes with five speed levels, so you can adjust the intensity to meet your needs.

In summary, the Carbon Fiber Percussion Muscle Gun is a powerful and effective tool for muscle recovery and pain relief. With its compact size, rechargeable battery, low noise level, black color, and five speed levels, it's a great addition to any workout routine or muscle recovery program.
