Product Description

Adjustable Strap Electric Eye Massager with Bluetooth and Rechargeable Battery

Product Description:

Powered by a 5V/3.4W battery, this Eye Massager can be used for up to 2 hours on a single charge. The rechargeable 1200mAh battery ensures that you can use the massager whenever you need it. The Eye Massager is easy to use, simply turn it on and select the desired mode.

The Eye and Face Massager has four different modes that are suitable for a wide range of skin types. The first mode is for sensitive skin and is designed to gently massage the delicate eye area. The second mode is for normal skin and provides a deeper massage. The third mode is for oily skin and provides a stronger massage. The fourth mode is for dry skin and provides a moisturizing massage.

The Eye Wrinkle Remover is designed to be used in conjunction with your favorite skincare products. The massager helps to improve the absorption of your skincare products by promoting blood circulation and relaxing the skin. The Eye Massager can be used on other areas of the face and body as well.

The Eye Massager is compact and easy to carry, making it the perfect travel companion. The massager is lightweight and fits easily into your luggage or handbag. The Eye Massager also comes with a USB charging cable, making it convenient to charge on the go. The charging time for the Eye Massager is only 2 hours, so you can quickly recharge it whenever you need to.

The Eye and Face Massager is the perfect addition to your daily skincare routine. It is a great investment for anyone who wants to reduce puffiness, dark circles, and fine lines around their eyes and face. The Eye Massager is easy to use and can be used on other areas of the body as well. It is compact and easy to carry, making it the perfect travel companion. Get your Eye Massager today and start enjoying the benefits of a relaxing massage wherever you go.
