## Product Description

### Product Description:

The Carbon Fiber Massager Gun comes with four massage heads that are designed to target specific muscle groups. These heads include a large ball head, a small ball head, a bullet head, and a fork head. With these heads, you can customize your massage experience to meet your specific needs.

The Carbon Fiber Massager Gun is also a portable massage gun, making it easy to take with you wherever you go. It comes with a carrying case that is perfect for travel and storage. The charger is also included, so you can keep it charged and ready to use at all times. The battery life of the Carbon Fiber Massager Gun is up to 6 hours, so you can enjoy a long massage session without having to worry about running out of power. This makes it perfect for athletes, fitness enthusiasts, and anyone who wants to relieve muscle soreness and stiffness on the go.

With a noise level of less than 60 DB, the Carbon Fiber Massager Gun is also a quiet massaging device. You can use it at home, in the office, or even in a public setting without disturbing others.

Our Carbon Fiber Massager Gun comes with a 1-year warranty, so you can have peace of mind knowing that you are investing in a high-quality product that is built to last.

In summary, the Carbon Fiber Massager Gun is a powerful massaging device that provides deep tissue massage and relieves muscle soreness and stiffness. It is a portable massage gun that comes with a carrying case, charger, and four massage heads. With a battery life of up to 6 hours and a noise level of less than 60 DB, it is perfect for on-the-go use. It also comes with a 1-year warranty, making it a great investment for anyone who wants to enjoy the benefits of a massage gun.

### Applications:

It is suitable for various occasions and scenarios, such as:

Post-workout muscle recovery

Pre-workout warm-up and muscle activation

Relaxation and stress relief

Sports and fitness training

Physical therapy and rehabilitation

It is a reliable and durable product that is certified by CE, FCC, and ROHS, ensuring safety and quality. The minimum order quantity is 1000 units, and the price ranges from USD\$43-\$46/unit. It comes in a customized packaging, and the delivery time is 5-25 work days.

Payment terms accepted are T/T, Western Union, and Money Gram, and the supply ability is 10000/month.

The GT Carbon Fiber Massager Gun has a battery life of up to 6 hours, making it ideal for on-the-go usage. It also comes with a 1-year warranty, giving customers peace of mind. Its handheld type makes it easy to use and carry around.

Overall, the GT Carbon Fiber Massager Gun is a top-of-the-line product that offers a premium massaging experience. Its vibrating muscle massager feature and powerful massaging device make it a must-have for fitness enthusiasts, athletes, and individuals who prioritize their physical health and well-being.
