## Product Description

### Product Description:

This handheld massage gun has a charging time of just 2 hours and comes with a 1-year warranty for added peace of mind. It is also incredibly easy to use, thanks to its adjustable arm and LCD touch screen. The adjustable arm allows you to customize the angle and intensity of the massage, while the LCD touch screen makes it easy to switch between settings.

The Carbon Fiber Massager Gun is the perfect tool for anyone looking to improve their recovery time after a workout. Its special features make it stand out from other massage guns on the market, making it a must-have for anyone serious about their fitness goals. Whether you're a professional athlete or just someone looking to relieve muscle tension, this premium massage gun is sure to help you feel your best.

### Applications:

The GT-8070 Carbon Fiber Massager Gun is perfect for use during post-workout recovery, where it can help to relieve soreness and stiffness in muscles. It is also ideal for use before and after intense physical activity, as it helps to improve blood flow, reduce muscle tension, and promote relaxation.

The adjustable arm and LCD touch screen make it easy to use, allowing users to customize the massage experience to their liking. The device comes with five speed levels, allowing users to choose the intensity of the massage. Additionally, the noise level is less than 60 DB, ensuring a quiet and peaceful massage experience.

The GT-8070 Carbon Fiber Massager Gun comes with four massage heads, each designed to target specific muscle groups. The carbon fiber material used in the device's construction ensures durability and longevity, while also making it lightweight and portable.

The GT-8070 Carbon Fiber Massager Gun is perfect for use in various scenarios, including at home, in the gym, or at the office. Its portability and ease of use make it an ideal product for individuals who are always on the go.

With a minimum order quantity of 1000 units, the GT-8070 Carbon Fiber Massager Gun is available at a price range of USD\$43-\$46/unit, making it an affordable and accessible product for individuals and businesses alike. The product is certified with CE, FCC, and ROHS, ensuring its quality and safety. Packaging details are customizable, and delivery time ranges from 5-25 work days. Payment terms include T/T, Western Union, and Money Gram, and the product has a supply ability of 10000/month.
