Product Description

Product Description:

The Electric Back Massager operates at a voltage of 110V-240V and a frequency of 50Hz-60Hz, making it suitable for use in a variety of settings. Whether you're at home, in the gym, or on the go, this Handheld Body Massager is a versatile tool that can help to alleviate discomfort and improve overall wellness.

The Electric Waist Massager is sleek and stylish, with a black color that complements any decor. Its compact size makes it easy to store and transport, while its ergonomic design ensures that it is comfortable to use for extended periods of time.

One of the standout features of the Electric Waist Massager is its timer function, which allows you to set the duration of your massage session. With a timer that can be set for 1-2 hours, you can customize your massage experience to suit your needs.

Whether you're an athlete looking to improve recovery time, or simply someone who wants to relax and unwind after a long day, the Electric Waist Massager is an excellent choice. With its powerful motor and customizable settings, this Electric Back Massager is sure to become a staple in your self-care routine.
