## Product Description

### Product Description:

The Electric Waist Massager is easy to use, with a simple remote control that allows you to adjust the frequency and intensity of the massage. It operates at a voltage of 110V-240V and a frequency of 50Hz-60Hz, making it suitable for use in a variety of locations. And with its one size fits all design, it can be used by anyone in the family.

Not only is the Electric Waist Massager effective at relieving pain and discomfort, it is also built to last. It comes with a 1-year warranty, giving you peace of mind knowing that you're making a wise investment in your health and wellness.

So why wait? Order your Electric Waist Massager today and experience the benefits of a deep tissue massage in the comfort of your own home!

### Features:

Product Name: Electric Waist Massager

Color: Black

Intensity Levels: 5

Power: 24W

Weight: 1.5kg

### Applications:

**At Home:** The Electric Waist Massager can be used at home while watching TV, reading a book, or simply relaxing. It can help relieve stress and tension in the waist area, providing a soothing and comfortable experience.

**In the Office:** Sitting at a desk for long periods of time can lead to stiffness and discomfort in the waist area. The Electric Waist Massager can be used in the office to help relieve these symptoms, promoting better posture and overall comfort.

**During Exercise:** The Electric Waist Massager can be used before or after exercise to help warm up or cool down the waist area. It can also help relieve soreness and stiffness caused by intense workouts.

**During Travel:** Long flights or car rides can be uncomfortable and lead to stiffness in the waist area. The Electric Waist Massager can be easily packed in a suitcase or carry-on bag, making it a convenient travel accessory for those who experience discomfort during travel. The GT-1202 Electric Waist Massager is also a great addition to any massage or spa business. Here are some of the specific scenarios where this product can be used in a professional setting:

**Electric Massager:** The Electric Waist Massager can be used as a standalone product, providing a unique and effective massage experience for clients. Its five intensity levels and one size fits all design make it a versatile and convenient option for massage therapists and spa owners.

**Electric Scalp Massager:** The Electric Waist Massager can also be used as a scalp massager, providing a soothing and relaxing experience for clients. Its gentle vibrations can help stimulate blood flow and promote relaxation in the scalp area.

**Electric Back Massager:** The Electric Waist Massager can be used on the back as well, providing relief for sore muscles and tension in

the back area. Its compact and portable design makes it a great option for on-the-go back massages.

The GT-1202 Electric Waist Massager is made in China and comes with CE, FCC, and ROHS certifications. It has a minimum order quantity of 1000 units and a price range of \$27.4-\$31.4 per unit. It comes packaged in a carton or can be customized to meet specific packaging requirements. Delivery time ranges from 5-25 work days and payment terms include T/T, Western Union, and Money Gram. With a supply ability of 10000 units per month, the GT-1202 Electric Waist Massager is a reliable and effective product for personal or professional use.
