Product Description

Product Description:

The Two Head Fascia Gun is a versatile and innovative Electric Massage Gun that combines the benefits of percussion and vibration massage modes. This Dual Heads Massage Hammer is designed to provide deep tissue relief and relaxation, making it a must-have for athletes, fitness enthusiasts, and anyone looking to unwind after a long day.

With its compact and portable design, this Mini Fascial Gun is easy to carry around and use anywhere, whether at home, in the gym, or on the go. The Two Head Fascia Gun has received approval from reputable organizations such as FCC, CE, and ROHS, ensuring its safety, quality, and compliance with international standards.

Featuring a noise level of less than 60dB, this Electric Massage Gun operates quietly, allowing you to enjoy a peaceful massage experience without disturbing others. Weighing just 1.5 lbs, the Two Head Fascia Gun is lightweight and ergonomically designed for comfortable handling and easy maneuverability.

Whether you're targeting specific muscle groups, relieving tension, or improving circulation, the Two Head Fascia Gun offers a customizable massage experience to suit your needs. The dual heads provide a variety of massage techniques and intensities, allowing you to personalize your massage session for optimal results.

In addition to its massage capabilities, the Two Head Fascia Gun can also function as an Infrared Temperature Gun, providing you with added versatility and functionality. This feature allows you to monitor your body temperature or the temperature of other objects with ease and precision.

Experience the benefits of percussive and vibration therapy with the Two Head Fascia Gun. Whether you're looking to accelerate muscle recovery, reduce soreness, or simply relax and unwind, this Electric Massage Gun is a versatile and effective tool for enhancing your overall well-being.

Features:

Product Name: Two Head Fascia Gun

Massage Modes: Percussion, Vibration

Number Of Heads: 2

Power Source: Rechargeable Battery

Noise Level: Less Than 60dB

Weight: 1.5 Lbs

Applications:

The Two Head Fascia Gun by GT (Model: GT-1405) is a versatile and efficient massage tool with various product application occasions and scenarios. This innovative product originates from Shenzhen and holds certifications including CE, FCC, and ROHS.

The Two Head Fascia Gun is ideal for a wide range of uses, making it suitable for both personal and professional settings. Its powerful performance and convenient features make it perfect for sports recovery, muscle relaxation, and pain relief. The device's Air Compressor Head and Infrared Temperature Gun functionalities enhance its effectiveness in providing targeted relief to specific areas of the body.

Whether you are an athlete looking to improve recovery time or a therapist seeking a reliable tool for clients, the Two Head Fascia Gun offers a comprehensive solution. Its rechargeable battery power source ensures portability, allowing you to use it anywhere. The noise level of less than 60dB ensures a peaceful massage experience, making it suitable for use in quiet environments.

The durable plastic construction of the Two Head Fascia Gun ensures long-term use, while the battery life of 6 hours guarantees uninterrupted massage sessions. With massage modes such as Percussion and Vibration, you can customize your massage experience to suit your preferences and needs.

When purchasing the Two Head Fascia Gun, the minimum order quantity is 1000 units, and the price ranges from USD\$41 to \$45 per unit. The product is delivered in carton packaging, with the option for customized packaging available. The delivery time ranges from 5 to 25 work days, and payment terms include T/T, Western Union, and Money Gram. With a supply ability of 10000 units per month, the Two Head Fascia Gun ensures availability when you need it.
