Product Description

Product Description:

The Two Head Fascia Gun is a revolutionary product that combines the power of an Electric Flame Gun and an Electric Massage Gun, providing a unique and effective solution for muscle recovery and relaxation. Made from high-quality plastic material, this innovative device is designed to deliver professional-grade massages in the comfort of your own home.

With FCC, CE, and RoHS approvals, you can trust that the Two Head Fascia Gun meets the highest standards of safety and quality. This makes it a reliable and trustworthy tool for your massage therapy needs.

Equipped with 5 speed levels, the Two Head Fascia Gun allows you to customize your massage experience according to your preferences and needs. Whether you prefer a gentle massage or a more intense deep tissue treatment, this device offers flexibility and versatility to cater to your specific requirements.

One of the standout features of the Two Head Fascia Gun is its low noise level, producing less than 60dB of sound during operation. This ensures a quiet and peaceful massage experience, allowing you to relax and unwind without any distractions or disturbances.

Another highlight of this product is its 8 massage attachments, providing a variety of options for targeting different muscle groups and areas of the body. Whether you are looking to relieve tension in your back, shoulders, legs, or arms, the Two Head Fascia Gun offers the versatility to address various muscle needs effectively.

Experience the benefits of a professional massage therapy session with the convenience of the Two Head Fascia Gun. Its innovative design and advanced features make it a must-have tool for anyone looking to improve their recovery, relaxation, and overall well-being.

Features:

Product Name: Two Head Fascia Gun

Speed Levels: 5

Number Of Heads: 2

Power Source: Rechargeable Battery

Battery Life: 6 Hours

Feature: 8 Massage Attachments

Applications:

The GT-1405 Two Head Fascia Gun by GT is a versatile tool that can be used in various product application occasions and scenarios. Here are some of the key scenarios where this product can be effectively utilized:

1. Physical Therapy Centers: The GT-1405 Two Head Fascia Gun can be used in physical therapy centers for muscle recovery and relaxation. The two heads provide different massage intensities, making it suitable for a wide range of clients.

2. Sports Facilities: Athletes and sports professionals can benefit from using the GT-1405 Two Head Fascia Gun to relieve muscle soreness and improve recovery time after intense workouts or competitions.

3. Fitness Studios: Personal trainers and fitness instructors can incorporate the GT-1405 Two Head Fascia Gun into their training sessions to help clients warm up muscles or recover after a strenuous workout.

4. Home Use: Individuals looking for a convenient way to relax muscles at home can use the GT-1405 Two Head Fascia Gun. It is easy to use and provides relief from tension and soreness.

5. Spa and Wellness Centers: The GT-1405 Two Head Fascia Gun can be used in spa and wellness centers to enhance massage treatments and promote relaxation.

With its compact dimensions of 9.5 x 8.5 x 2.5 inches and lightweight design of 1.5 lbs, the GT-1405 Two Head Fascia Gun is portable and easy to carry around. It offers 5 speed levels to customize the massage intensity according to individual preferences.

This product is FCC, CE, and RoHS certified, ensuring its quality and safety for use. Customers can order a minimum quantity of 1000 units at a price range of USD\$41-\$45 per unit. The packaging details include carton packaging with the option for customized packaging.

The GT-1405 Two Head Fascia Gun has a supply ability of 10,000 units per month, with a delivery time of 5-25 work days. Payment terms accepted for this product include T/T, Western Union, and Money Gram.
