## Product Description

### Product Description:

The Two Head Fascia Gun is a cutting-edge percussion massager designed to provide deep tissue relief and relaxation. This innovative device, also known as the Fascia Massage Gun, Electric Flame Gun, or Electric Flame Gun, is a versatile tool for targeting muscle tension and promoting recovery.

Constructed with high-quality plastic material, this Fascia Gun is lightweight and easy to handle, weighing only 1.5 lbs. Its ergonomic design ensures comfortable use and allows for precise targeting of muscle groups.

Equipped with a powerful 2000mAh battery capacity, this massager offers long-lasting performance for extended massage sessions.

Whether you are an athlete looking to enhance your recovery or an individual seeking relief from everyday muscle tension, the Two Head Fascia Gun is a reliable companion.

With a warranty of 1 year, you can have peace of mind knowing that your investment is protected. Additionally, this product has received approval from reputable organizations such as FCC, CE, and ROHS, ensuring its quality and compliance with industry standards.

### Features:

Product Name: Two Head Fascia Gun

Battery Life: 6 Hours

Feature: 8 Massage Attachments

Type: Mini Fascial Gun

Number Of Heads: 2

Battery Capacity: 2000mAh

### Applications:

The GT-1405 Two Head Fascia Gun is a versatile and powerful massage device that can be used in various product application occasions and scenarios. With its innovative design and features, this product is suitable for a wide range of uses.

1. Sports Recovery: Athletes and sports enthusiasts can use the GT-1405 Fascia Gun to help with muscle recovery after intense workouts or sports activities. The percussion and vibration massage modes can effectively relieve muscle soreness and improve blood circulation, aiding in faster recovery.

2. Physical Therapy: The dual heads massage hammer attachments of the GT-1405 are perfect for physical therapy sessions. The targeted massage can help alleviate muscle tension, improve flexibility, and promote overall well-being. Physical therapists can use this device to provide personalized treatments to their clients.

3. Relaxation and Stress Relief: Individuals looking for relaxation and stress relief can benefit from the GT-1405 Fascia Gun. The gentle vibration mode and infrared temperature gun feature can help relax tight muscles, release tension, and promote a sense of calmness and well-being.

4. Home Use: The compact dimensions of 9.5 x 8.5 x 2.5 inches make the GT-1405 ideal for home use. Whether you need a quick massage after a long day at work or want to unwind during the weekends, this electric flame gun can provide the relaxation you need in the comfort of your own home.

5. Beauty and Wellness Centers: Beauty and wellness centers can incorporate the GT-1405 Fascia Gun into their services to offer clients a premium massage experience. The 8 massage attachments allow for customizable treatments, while the durable plastic material ensures long-lasting performance.

Overall, the GT-1405 Two Head Fascia Gun is a versatile and high-quality product that is well-suited for sports recovery, physical therapy, relaxation, home use, and professional settings. With its innovative features and certifications (CE, FCC, ROHS), this massage device offers a premium experience at a competitive price point of USD\$41-\$45/unit. The GT-1405 is a must-have for anyone looking to enhance their well-being and enjoy the benefits of percussion and vibration massage therapy.

### Support and Services:

The Two Head Fascia Gun product comes with comprehensive technical support and services to assist customers with any issues they may encounter. Our team of experts is available to provide guidance on product usage, troubleshooting, and maintenance. Additionally, we offer repair services to address any hardware issues that may arise. Customers can rely on our dedicated support team to ensure a smooth and hassle-free experience with their Two Head Fascia Gun.
