Product Description

Professional Powerful Massage Gun with 99-Speed and 8 Massage Heads LCD Touch Fascia Gun

Product Description:

- [Multifunctional massage gun] The deep tissue massage gun has 8 different massage heads, each of which is aimed at different muscles. After the massage gun hits the muscles, it can promote blood circulation, decompose lactic acid, and relieve muscle soreness after exercise. In addition, the massage gun also comes with a portable carrying case, which is convenient to carry and relax the muscles anytime, anywhere.
- [99 levels of touch LCD touch screen] The frequency can be adjusted according to the different parts of the massage. The high-power motor will bring deeper striking. The user can change the speed of the massage gun as needed to provide a relaxing massage for each muscle.
- [Ultra-quiet design] The high-quality motor of the percussion massage gun makes the muscle massage gun almost no noise, ensuring that you will not disturb others when using our massage gun in public places.
- [Portable massage gun] The small size and light for personal use. Each of our massage guns comes with its own sturdy carrying case, so you can carry it with you and use it easily anytime, anywhere.
- [Applicable to a wide range of people] The massage gun can be a back massager/neck massage gun for sedentary office workers, or a deep muscle massage gun for athletes and bodybuilders. If you are still having a headache about choosing Christmas gifts, then this massage gun must be the best choice for gift giving!
