## F A Q

**Q1: Could you suggest a design based on our requirements or samples?**

Of course, we are professional. We can test samples free of charge according to your requirements.

**Q2: Do you help with the operation of the product?**

We have a product instruction manual. Of course, if you have any problems, you can find me through the mail or online chat window to solve the operation problems for you!

**Q3: How do I process orders?**

Let us know your requirements and applications, and then we provide you with detailed quotation and logistics according to your requirements, and finally we confirm the order details together!

**Q4: How soon can you deliver the equipment?**

We will deliver your equipment within 3~5 days (there are a lot of stock), custom or mold processing needs to take 7~15 days.

**Q5: About packaging and shipping**

Provide strong plywood packing machine, safe and in line with international export standards.

**Q6: How do you ensure we receive a good product?**

Our equipment is their own procurement of raw materials, their own installation and commissioning. We understand all aspects of our equipment and will not go through a third party, and we will send you the equipment debugging video before shipment, to ensure that there will be no quality problems on your hands, causing trouble to your work!

## Product Description:

The Rechargeable Muscle Relief Gun is powered by a 2500mAh battery capacity that can last up to 4 hours of continuous use. It comes with five different massage heads that target different muscle groups, making it suitable for both athletes and non-athletes alike. Whether you need to relieve muscle tension from a hard workout or to alleviate chronic pain, this product will help you achieve your desired results.

Its three massage modes allow users to choose from a light, moderate, or intense massage, depending on their preference. Additionally, the five speed levels enable users to customize their massage intensity, ensuring maximum comfort and efficacy. This professional massage therapy gun is easy to use and comes with a user manual that guides users on how to operate and maintain the product. The package contents of the Rechargeable Muscle Relief Gun include one Massager Gun, five Massage Heads, one Charger, and one User Manual. This product is lightweight, portable, and easy to carry around, making it an ideal companion for athletes, fitness enthusiasts, and people who suffer from muscle pain.

## Applications:

The GT-F06 Vibrating Massager Gun from GT is a professional massage therapy gun made in China with FCC, CE and RHOS certification. With a minimum order quantity of 50 and a price range of \$10.5-\$11.5, it comes in a carton packaging and has a delivery time of 5-20 work days. Payment terms include T/T, Western Union and Money Gram. The product has a supply ability of 50000/month and comes with a 1-year warranty.

The GT-F06 Vibrating Massager Gun is powered by a rechargeable battery and weighs 1.2kg, making it easy to use and transport. It has 5 speed levels and 3 massage modes, making it versatile for various massage needs.

The product is ideal for use in various occasions and scenarios such as:

**Post-Workout Recovery:** The GT-F06 Vibrating Massager Gun is designed to help reduce muscle soreness and stiffness after a workout. Its powerful vibrations penetrate deep into the muscles, helping to increase blood flow and reduce tension.

**Pain Relief:** The GT-F06 Vibrating Massager Gun can be used to relieve pain and discomfort caused by injuries, arthritis, and other conditions. Its targeted massage can help to reduce inflammation and improve range of motion.

**Pre-Workout Warm-Up:** The GT-F06 Vibrating Massager Gun can also be used to warm up the muscles before a workout. Its vibrations can help to increase blood flow and flexibility, reducing the risk of injury.

**Relaxation:** The GT-F06 Vibrating Massager Gun can also be used for relaxation purposes. Its soothing vibrations can help to reduce stress and promote relaxation, making it ideal for use after a long day at work or before bedtime.

Overall, the GT-F06 Vibrating Massager Gun from GT is a versatile and powerful tool for professional massage therapy. Its rechargeable battery, lightweight design, and multiple speed and massage modes make it an excellent choice for anyone looking for a high-quality massager gun.
