Product Description

Product Description:

The Octopus Claw Scalp Massager is a versatile body massage device designed to provide a soothing and invigorating scalp massage experience. This innovative product is manufactured in Shenzhen, China, ensuring high quality and durability.

Featuring flexible and gentle bristles, the Octopus Claw Scalp Massager is suitable for scalp massage, offering a relaxing and rejuvenating experience. The design of the massager allows for gentle stimulation of the scalp, promoting blood circulation and relieving tension.

While the Octopus Claw Scalp Massager is not waterproof, it is ideal for use on dry hair and scalp. The non-waterproof design ensures easy maintenance and cleaning of the device.

With its compact and portable design, the Octopus Claw Scalp Massager is convenient for daily use. Whether at home or on the go, this electric therapy massager can be easily incorporated into your self-care routine.

For optimal results, it is recommended to use the Octopus Claw Scalp Massager for 30 minutes to 1 hour per day. This consistent usage can help promote relaxation, reduce stress, and improve overall scalp health.

Applications:

The GT Octopus Claw Scalp Massager (Model: GT-1806) is a versatile product that can be used in a variety of occasions and scenarios, making it a must-have item for anyone seeking relaxation and stress relief. Here are some of the product application occasions and scenarios for the GT Octopus Claw Scalp Massager:

Head Scalp Massager: The GT Octopus Claw Scalp Massager is specifically designed to provide a soothing and invigorating massage to the scalp, making it perfect for use during spa days, salon treatments, or simply at home after a long day.

Body Massage Device: In addition to being a head scalp massager, the GT Octopus Claw Scalp Massager can also be used as a body massage device. Its flexible and gentle bristles, along with 3 massage modes and 8 massage nodes, make it ideal for relieving tension in various parts of the body such as the neck, shoulders, and back.

Whether you are looking to unwind after a stressful day, alleviate muscle soreness, or simply pamper yourself, the GT Octopus Claw Scalp Massager is the perfect companion. Its rust-resistant and durable construction ensures long-lasting use, while its portable design allows you to enjoy a relaxing massage anytime, anywhere.

With certifications including CE, FCC, and RHOS, you can trust in the quality and safety of the GT Octopus Claw Scalp Massager. The minimum order quantity of 50 units makes it suitable for both personal and professional use, while the price range of \$7.8-\$8.59 offers great value for money.

For added convenience, the GT Octopus Claw Scalp Massager comes with packaging details in a carton or customized packing, and has a delivery time of 5-20 work days. Payment terms accepted include T/T, Western Union, and MoneyGram, making it easy to purchase this innovative massage tool. With a supply ability of 50000 units per month, you can be sure to always have the GT Octopus Claw Scalp Massager on hand whenever you need it.
