## Product Description

### Product Description:

The Belly Massage Belt is a revolutionary product designed to provide targeted relief and relaxation for your abdomen area. Whether you suffer from muscle tension, bloating, or just need some soothing warmth, this belt is the perfect solution for you.

Featuring advanced technology, this Heavy Equipment Belt operates on a safe voltage of 5V, ensuring a reliable and consistent performance. With 5 adjustable intensity levels, you can customize your massage experience to suit your preferences and needs. Whether you prefer a gentle massage or a more intense one, this belt has you covered.

For added convenience and ease of use, the Belly Massage Belt comes with a remote control. This allows you to adjust settings, change intensity levels, and turn the heat function on or off with just the touch of a button. Say goodbye to fumbling with buttons or reaching awkwardly for controls - now you can effortlessly manage your massage experience from wherever you are.

One of the standout features of this Heated Waist Belt is its heat function. The gentle warmth generated by the belt helps to relax your muscles, improve circulation, and alleviate discomfort. Whether you're dealing with menstrual cramps, digestive issues, or simply want to unwind after a long day, the heat function of this belt provides soothing relief that you can count on.

Designed in a sleek and timeless black color, this Heavy Equipment Belt is not only functional but also stylish. The neutral hue makes it easy to coordinate with your wardrobe or other accessories, allowing you to enjoy the benefits of the belt without compromising on style. Invest in your well-being and comfort with the Belly Massage Belt. Whether you need relief from abdominal discomfort, want to improve circulation in your midsection, or simply crave a moment of relaxation, this versatile and innovative belt is here to support you. Experience the benefits of targeted massage therapy, customizable intensity levels, convenient remote control, soothing heat function, and a chic black design - all in one powerful product.

### Applications:

The GT Belly Massage Belt is a versatile product suitable for various occasions and scenarios, making it a must-have for individuals seeking relief and relaxation. Here are some of the key application areas:

**1. Heavy Equipment Belts:** The GT Belly Massage Belt is ideal for individuals working with heavy equipment or engaging in strenuous activities. The elastic waist support belt provides comfort and stability, helping to alleviate strain and prevent injuries.

**2. Pain Relief:** With its heat function and three temperature levels, the GT Belly Massage Belt is perfect for individuals seeking relief from muscle aches, stiffness, and tension. The heating waist belt targets specific areas, providing soothing warmth and promoting relaxation.

**3. Post-Workout Recovery:** Men and women can benefit from the GT Belly Massage Belt after intense workouts or physical activities. The heat therapy helps to relax muscles, reduce inflammation, and speed up recovery, allowing users to bounce back quickly.

**4. Relaxation and Stress Relief:** The remote control feature of the GT Belly Massage Belt enables users to customize their massage experience, making it suitable for relaxation and stress relief anytime, anywhere. The personalized settings cater to individual preferences and comfort levels.

With its CE, FCC, and ROHS certifications, the GT Belly Massage Belt ensures quality and safety. The minimum order quantity is 1000 units, priced at \$17.8-\$18.8 per unit. Packaging details include carton and customized packaging options, with a delivery time of 5-25 work days. Payment terms accepted are T/T, Western Union, and Money Gram, and the supply ability is 10000 units per month.
