Product Description

Product Description:

The Belly Massage Belt, model BM-01, is a versatile and innovative device designed to provide targeted abdominal massage therapy. This advanced Abdominal Massage Belt offers a unique combination of relaxation and pain relief, making it an ideal choice for individuals seeking relief from discomfort or stress in the abdominal area.

Featuring 5 intensity levels, the Belly Massage Belt allows users to customize their massage experience to suit their individual needs and preferences. Whether you prefer a gentle massage for relaxation or a more intense treatment for deep tissue relief, this belt offers a range of options to accommodate various comfort levels.

The one-size-fits-all design of the Belly Massage Belt ensures that it can be comfortably worn by individuals of all shapes and sizes. The elastic waist support belt provides a secure and snug fit, allowing users to move freely and go about their daily activities while enjoying the benefits of abdominal massage therapy.

With a voltage of 5V and a frequency range of 50-60Hz, the Belly Massage Belt is designed to deliver consistent and reliable performance with each use. Whether you are using it at home, in the office, or while traveling, this belt jointing machine is equipped to provide a soothing and effective massage experience wherever you go.

Applications:

The GT Belly Massage Belt, model number GT-1606, is a versatile product that can be used in a variety of occasions and scenarios. Whether you are looking for relief from back pain, a relaxing massage after a long day, or simply want to improve your overall well-being, this device is the perfect solution.

One of the key application occasions for the GT Belly Massage Belt is for back massage. The adjustable and portable design of the belt makes it easy to target specific areas of the back, providing relief from tension and soreness. The heat function also helps to relax muscles and promote blood circulation, making it ideal for those suffering from back pain or stiffness.

Another scenario where the GT Belly Massage Belt shines is as a belt jointing machine. The embossed leather belt not only looks stylish but also provides a comfortable surface for the massage nodes to work their magic. The three temperature levels and rechargeable feature ensure that you can customize your massage experience to suit your needs.

Whether you are at home, in the office, or on the go, the GT Belly Massage Belt is a convenient and effective way to enjoy the benefits of a massage. With certifications such as CE, FCC, and ROHS, you can trust in the quality and safety of this product. The minimum order quantity is 1000 units, with a price range of \$17.8 to \$18.8 per unit.

Packaging details include carton and customized packaging options, while delivery time ranges from 5 to 25 work days. Payment terms accepted include T/T, Western Union, and Money Gram, making it easy to place your order. With a supply ability of 10000 units per month, you can rest assured that your needs will be met in a timely manner.

Experience the convenience and effectiveness of the GT Belly Massage Belt for yourself. Say goodbye to back pain and muscle tension with this innovative and user-friendly device.
