Product Description

Six-speed intensity adjustment

Combined with AI chip to create an intelligent program massage method, so that relaxation is no longer rigid. The comprehensive six-speed strength will adjust the strength adaptively, and will not cause muscle damage due to long-term massage of the same part.

Gear 1-2: 1800-2300 rpm/min	muscle activation
Gear 3-4: 2300-2800 rpm/min	Fascia relaxation
5th gear: 2800 rpm	Break down lactic acid
6th gear: 3200 rpm	deep relaxation

*It is recommended to start from the lowest gear for the first time. For non-professionals, please do not use the high gear!

Why This Massage Gun Stands Out?

Compact Powerhouse: Big performance in a tiny package ,on-the-go relax

Smart Versatility: 6 speeds to meet different needs and people

Pocket-Sized Portability Tiny Footprint: Just 7.5 x 5.5 x 1.96 inches — small enough to slip into a backpack or even your pocket **Featherlight:** Weighing only 1 lb, it's lighter than a water bottle **Travel-Ready:** Includes a sleek carry pouch for gym sessions, business trips, or outdoor adventures. Take professional-grade massage therapy wherever life takes you! **USB-C Charging & 6 Customizable Speeds Modern Charging:** USB-C compatibility lets you power up from laptops, power banks, or car chargers. Enjoy 2–3 hours of runtime on a full charge (speed-dependent).

6 Speed Settings:

- **Low (1–2):** Gentle warm-up for beginners or daily use
- **Medium (3–4):** Ideal for releasing tight muscles after workouts
- **High (5–6):** Deep-tissue percussion for athletes and fitness enthusiasts Adjust effortlessly to match your recovery needs, from casual relaxation to intensive training.

4 Specialized Massage Heads + Whisper-Quiet Operation

Head Type	Muscle Group/Use Case	Benefit
Round Ball	Large muscle areas (thighs, back)	Soften knots and tension
Flat Head	General muscle relaxation	Even pressure distribution
U-Shaped Head	Neck, spine, and Achilles tendons	Precise joint relief
Bullet Head	Deep tissues (glutes, soles)	Focused pain point release
