### Applications:

Gotole Electric Back & Waist Massager is an innovative solution for relieving back/waist discomfort, certified CE, FCC, and ROHS for reliable quality and safety. Rechargeable and portable, it eliminates frequent battery replacements, letting you enjoy therapeutic massages anytime, anywhere.

With an ergonomic design, it fits all ages comfortably, delivering deep tissue relief to ease muscle tension and boost blood circulation. Adjustable intensity and modes cater to personal needs, making it perfect for home relaxation, office use (combating prolonged sitting stiffness), and post-workout muscle recovery for fitness enthusiasts.

Available with custom packaging (carton delivery), it offers a competitive price range of \$4.2-\$4.85 per unit, MOQ 1000 units, and 5-25 workdays delivery. Payment options include T/T, Western Union, and Money Gram, with a monthly supply capacity of 10,000 units—ideal for retailers and distributors seeking high-quality, versatile massagers.

Thank you for choosing the Gotole Electric Waist Massager! To ensure the device delivers optimal performance and a long service life, please review the following technical support and care instructions carefully.

### Product Technical Support

Should you encounter issues (e.g., failure to power on, weak vibration, or heating malfunctions), first refer to the user manual for troubleshooting. Most common problems can be resolved by:

Checking the battery charge status

Ensuring proper connections

Following the operating instructions strictly

#### ⚠ Important Notes:

Do not disassemble or repair the device yourself—this will void the warranty and may cause further damage. Use only the original charger and accessories to avoid compatibility issues.
